

VALHALLA · SPACE · INTELLIGENCE

Corvus

The mind that runs eleven companies. And counting.

Lead

[[FILL: Corvus Lead Name]]

Seat title: Hall Lead — Corvus · Domain: Space · Pillar: Intelligence

Problem

Civilization systems need sovereign compute that can run offline and locally.

Solution

Sovereign AI compute substrate (Raven OS thesis; Odin as founder-facing product path). Prompt ladder as access narrative—not fabricated MRR.

Business model path

Local / concept interest → future compute products and nest services.

Status (blueprint-honest)

Concept / local.

This is the **dedicated per-company deck stub** for Corvus within the Valhalla mosaic of 12. Platform deck: Valhalla-Pitch-Deck.pdf. Mosaic: Land (Wolf, Holm, Demeter), Water (Viking, Atoll, Njord), Air (Eagle, Olympus, Aeolus), Space (Phenix, Aether, Corvus). Credo: We are all kings. Kings don't wait for the throne — they build it.
