

VALHALLA · LAND · ENERGY

Demeter

The same acre feeds a family and powers twenty homes.

Lead

[[FILL: Demeter Lead Name]]

Seat title: Hall Lead — Demeter · Domain: Land · Pillar: Energy

Problem

Land energy and food systems are siloed; communities need dual-use acres.

Solution

Land energy layer: agrivoltaics, green hydrogen, geothermal, wind, and longer-horizon nuclear research. Diligence-first; no capacity or ROI claims on this surface.

Business model path

Project / research partnerships → future energy products and offtake.

Status (blueprint-honest)

Research / project posture. Hall leads partially staffed historically; confirm before naming.

This is the **dedicated per-company deck stub** for Demeter within the Valhalla mosaic of 12. Platform deck: Valhalla-Pitch-Deck.pdf. Mosaic: Land (Wolf, Holm, Demeter), Water (Viking, Atoll, Njord), Air (Eagle, Olympus, Aeolus), Space (Phenix, Aether, Corvus). Credo: We are all kings. Kings don't wait for the throne — they build it.
